**Acknowledgements** I am grateful to the following who arranged for the distribution, completion and collection of over 1000 questionnaires and collected advance orders for the book: Farooq Ahmed, Rob Altham, Steven Ball, Ashley Barnes, Karl Berry, Laura Briggs, Peter Buckley, Philip Butler, Philip Cattan, Brendan Carville, Jeffrey Clarke, Yvonne Coppell, Nicola Daley, Alex Frodsham, Suzanne Goddard, Matthew Hall (Smith), David Hernandez, Richard Heap, Peter Horgan, Richard Hunt, Nick Johnson, Jo Kelly, Andrew Loveridge, Joanna Mallon, Richard Oughton, Nigel Power, Damien Sanders, Barrie Searle, Malcolm Sharpe, Sarah Spear, David Temkin and Ian Unsworth.

The Law Lists from 1876 form the basis of the Directory. John Murphy, the Northern Circuit Librarian, Sally Phillips and Nigel Ogilvie and others at the Royal Courts of Justice Library kindly arranged for me to have the Law Lists in batches of five years, so that I could work at home. That made my task much easier. Guy Holborn, the Librarian at Lincoln's Inn has been very supportive. He has sent me much useful material and his, 'Sources of Biographical Information on Past Lawyers' has been invaluable.

My thanks to the Northern Circuit for financing this project and, in particular, to the immediate past Leader, David Steer QC, for enthusiastic support and encouragement throughout his term of office. Susan Chisholme, the Circuit Administrative Secretary, has been a great help.

I hope the Directory has been enhanced by the Grimsdale cartoons and the Burke (senior and junior) sketches and by the many photographs. I have acknowledged the following photographers by initials and they have my thanks: Richard Bingham (RB), Denis Clark (DC), Harold Singer (HS), William George (WG), Terry Mealey (TM), Raymond Farley (RF), Liverpool Daily Post & Echo (LDPE), Lancashire Evening Post (LEP), Universal Pictorial Agency (UPA), Manchester Evening News (MEN) and John Mills Photography (JMP). My photographs are marked (DL). The remainder are without initials because I have been unable to trace the photographer. Sketches: Kenneth Burke (KB), Judge John Burke QC (JB), all other sketches are by Frederick Grimsdale.

Brendan McCormack is first and foremost a classical guitarist, but his computer wizardry and the expertise of my son Christopher enabled me to overcome two badly behaved computers.

Finally, I thank my wife Ann and my sons, Christopher and Peter for tolerating this full blown obsession for the past eight years.
